# HW-C700 (7.2 Ch, 4 HDMI In) - Home Theater

## 7.2 Channel Home Theater Receiver

7.2 Channel Surround Sound
3D Surround
Auto Sound Calibration (ASC)
Crystal Amp Pro

The Samsung HW-C700 home theater receiver is for those who demand nothing less than the highest definition possible in everything they see and hear. With 4 HDMI inputs, there is room for a Blu-ray Disc® player and three other HDMI devices, for the greatest array of hi-def entertainment options. An iPod® dock with video, audio and iPhone support  allows playback of all types of music and media. And the added power of an active subwoofer underscores the thrilling sound experience.

### 7.2 Channel Surround Sound

Replicate the theater experience in your own home by immersing yourself in 7.2 channel surround sound. You can position the speakers throughout your space to bring your favorite music and movies to life with heart pounding soul stirring cinematic sound, transforming your living room into the ultimate home theater.

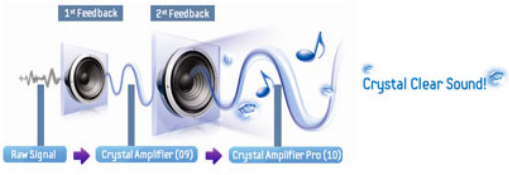
### 3D Surround

The HW-C700 can pass through 3D video from new 3D Blu-ray players to 3D TVs. Now it's time to enjoy 3D movie with full surround sound.

### Auto Sound Calibration (ASC)

Wherever you sit is now the best seat in the house. Auto Sound Calibration makes sure you're hearing optimal sound by automatically configuring the speakers and subwoofer. Simply place the ASC microphone next to your favorite viewing spot, press the ASC button on your remote control, and then experience audio nirvana.

### Crystal Amp Pro



Samsung's Crystal Amplifier Pro filters sound distortion and noise to provide sound quality like that of a professional hi-fi audio system.

Ultimate Audio

DTS HD Master Audio and Dolby True HD are advanced lossless multi-channel audio codecs for the ultimate sound experience at home.

ENERGY STAR Compliant

By being ENERGY STAR compliant you are assured that your Samsung model is helping the environment by using less energy while saving you money. ENERGY STAR is a joint program of the U.S. Environmental Protection Agency and the U.S. Department of Energy promoting energy efficiency.
